

# INTERIM MINISTRY PRAYER GUIDE

*St. Lawrence Church, Eastcote*

## **Prayer for interim process at St Lawrence, Eastcote**

Heavenly Father, in his life and death  
St Lawrence testified that  
God's people are the treasure of the church.

We pray for St Lawrence, Eastcote  
during this period of interim ministry.

As individuals and as a church family, help us  
to value our past,  
to understand who we are today,  
to seek together a future in which  
we praise your holy name in Spirit and truth,  
and to love our neighbour as ourselves.

This we ask in the name of Jesus, our Lord  
through the power of the Holy Spirit.

Amen.

## Sunday – Into the future

*Be still before the Lord and wait for him Ps. 37.7*

**Gracious God, I ask that you still my heart and open my mind that I may know your presence with me now. Amen**

*Stay in a few moments of silence*

**Loving God, during this time of our interim ministry, we pray that you will lead us onwards in faith & outwards in love. Amen**

Remembering Christ's prayer that all his followers may be one,

We pray

- for Fr John, giving thanks for his leadership at this time...
- that we will celebrate the past but will also have courage to take on new things...
- that we will understand & accept that change is a necessity for growth...
- that we will be open to the guidance of the Holy Spirit...

**Grant us Lord,  
faith to believe  
and strength to do your will. Amen**

## Introduction

This guide is offered for us to use, as we unite as the family of St Lawrence Church to seek God's guidance during this time of interim ministry.

It is intended as a framework - not a set of rigid prayers - that can be used each day, on a weekly cycle, for our individual prayers.

Each day offers a different focus, with suggestions of subjects for our prayers.

Bishop Pete has written that the time of an interim ministry is an opportunity for a church to:-

- *Understand and celebrate the past, lose old fears and find new hopes, and perhaps discover a fresh identity;*
- *consider its future witness, mission and ministry;*
- *reassess its resources, needs and priorities*
- *see where and how it needs to change, and work through the inevitable transition*
- *make plans for the future and prepare for the next chapter of its life.*

These objectives underlie the suggestions for our prayers, which are intended just as starting points. As we spend time talking with, and listening to God, other themes may come to mind.

We give thanks for our church, which has nurtured God's people in the past and we look forward with faith & trust to the worship & work that God calls us to in the future.
